DDI 2719-82

2 April 1982

MEMORANDUM FOR: Director of Central Intelligence  
Deputy Director of Central Intelligence

FROM: R. E. Hineman  
Acting Deputy Director for Intelligence

SUBJECT: DDI Activity Report - 29 March - 2 April 1982

**DCI/DDCI-Assigned Tasks**

[REDACTED] 25X1

ALA completed a DCI-assigned paper on the El Salvadoran military situation.

OGI provided the DCI with information on an Algerian ship suspected of carrying arms to Nicaragua and forwarded a response concerning the feasibility and implications of imposing agricultural sanctions against the USSR.

[REDACTED] 25X1

SOVA forwarded to NIO/SP a draft speech for the DDCI to deliver at the Armed Forces Communication and Electronics Association on 21 April.

SOVA met with DIA, NSA, and the IC Staff to develop a response for the DDCI to send to the Director of DIA who requested added emphasis on collection against Soviet command and control targets.

SOVA prepared a memorandum and background material on the Soviet military-industrial complex in response to the DCI's query about the "Soviet System."

**Of Special Interest This Week**

A recent ALA article on Equatorial Guinea was requested by the Office of the Vice President to help prepare for a meeting between Equatorial Guinea Vice President Bioko and Vice President Bush.

EURAS sent a paper to Undersecretary Buckley on FRG policies and attitudes toward restricting credits to the USSR.

OEA attended a meeting at the White House to discuss the preparation of a NSSD on US-Japan relations. CIA was requested to do a SNIE on the "Japanese perceptions of the US-Japan relationship." OEA will be the drafter.

SECRET [REDACTED]

SECRET [REDACTED]

25X1

OGI prepared a paper on the threat assessment for the President's trip to Western Europe. It was used at the ICIC meeting on 31 March and sent on to the Secret Service.

[REDACTED] 25X1

OGI hosted a conference on Industrial Competitiveness. Many academic and industry specialists participated in the discussions which focused on Japan and on the telecommunications industry.

OSWR sponsored a conference, "Lasers on the Tactical Battlefield." All major DoD elements involved in laser research were represented.

SOVA, EURA, and the NIO/USSR-EE held extended meetings with Treasury and State to set the terms of reference for Agency support of USG initiatives on credit restrictions against the USSR.

### Looking Ahead

ALA is preparing a paper on Gabon for the Office of the Vice President to help prepare for the April visit of Gabonese President Bongo.

[REDACTED] 25X1

OSWR will brief Dr. Jay Keyworth, the President's Science Advisor, on commercialization of recombinant DNA technology in Japan.

OSWR will work with the PFIAB as they develop a paper on technology transfer problems.

OSWR will be meeting with the Department of Commerce officials to discuss their request for intelligence assistance on the Militarily Critical Technologies List.

### Briefings

The Directorate was involved in 5 briefings at all levels on the Hill this week.
